ABOUT THE MPO

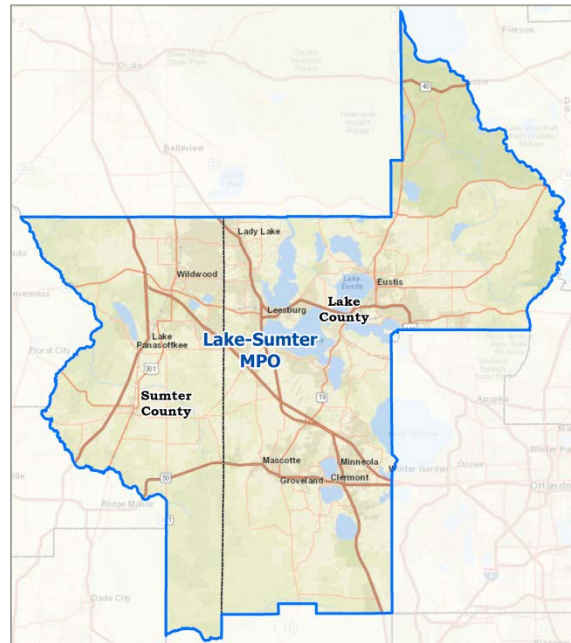

Representatives of Lake County and Sumter County governments, the 14 municipalities of Lake County, the five (5) municipalities of Sumter County, the Florida Department of Transportation (FDOT), Florida Central Railroad, Lake County Schools, Sumter District Schools and the U.S. Department of Transportation (USDOT) are involved in the transportation planning process facilitated by the Lake~Sumter Metropolitan Planning Organization (LSMPO). LSMPO's purpose is to provide effective leadership in the initiation and development of transportation plans, programs and strategies.

As the governmental body most directly responsible for the guidance of the transportation planning process, LSMPO strives to ensure recommendations comply with the goals and standards of the Federal Government, the State, Lake County, Sumter County, and the 19 incorporated jurisdictions. LSMPO functions include, but are not limited to, the preparation of the tasks required by state rule or by federal policy.

LSMPO's major annual responsibilities are to perform the tasks of preparing the Unified Planning Work Program (UPWP), the Long Range Transportation Plan (LRTP), the Public Involvement Plan (PIP), the Transportation Improvement Program (TIP), the annual List of Priority Projects (LOPP), the Transportation Disadvantaged Service Plan (TDSP), and the annual LSMPO Audit Report.

As with all transportation planning legislated by federal and state laws, LSMPO is responsible for ensuring adequate representation of and compatibility among state, county, and municipal projects in the transportation planning process. This includes consideration of all modes of transportation with respect to various members of the public. For example, LSMPO incorporates into its planning efforts the needs of the elderly and persons with disabilities as outlined in the Americans with Disabilities Act (ADA).

As part of the MPO planning process, public involvement is a major priority. Projects funded through public dollars are planned in a manner that encourages public participation and incorporates public comments into planning efforts. As a result, a responsibility is placed on MPOs to develop a plan where the opportunity for public involvement is assured. As part of that plan, a required element is the outlining of the means by which to measure the success of the public involvement activities. By strategizing public involvement techniques and then monitoring and measuring the effectiveness, better planning products emerge that genuinely capture the needs of the public.

Anyone wishing to contact the MPO with comments, questions, or complaints, please contact:

INTRODUCTION

Each year, LSMPO prepares a TIP, which contains the highway, bicycle/pedestrian, and other transportation-related projects in the LSMPO region that are programmed for funding over the next five years. This process begins with the development of a List of Priority Projects (LOPP). Each MPO is required to develop a LOPP, in coordination with the FDOT District Planning staff, and to submit the list to the District by September 1st of each year. The LOPP represents those projects that have not yet been programmed but are considered high priorities by the MPO.

After this document is approved by the LSMPO Board, it will be submitted to FDOT. FDOT will use the LOPP to select projects for funding in their FY 2019/20 - 2023/24 Tentative Five-Year Work Program. Once a project in the LOPP has been fully funded through construction in the TIP, it is taken off the list. The projects remaining on the LOPP can then be advanced to a higher priority, and new projects can be added to the list. In addition, the ranking of a project on the LOPP can be advanced more quickly if additional funds from local governments or other sources are applied to that project.

PRIORITIZATION PROCESS

LSMPO has a formal process for prioritizing projects in the LOPP. This process begins every year in the fall. Local governments are asked to submit new projects for consideration and to update existing projects on the LOPP. All projects on the LOPP must have a Priority Projects Programming Process (4P) application. This Project Information Application (PIA) is completed by the local sponsoring jurisdiction and must be submitted to FDOT for the project to be eligible for programming in FDOT's Five Year Work Program and the TIP once funding becomes available. The MPO has created an online application to aid local partners in the information-gathering process for new projects being submitted for inclusion in the LOPP. Applicants can access the application via the LSMPO website: <http://www.lakesumtermpo.com/documents/lopp.aspx>. The local sponsor agency should review and update the PIA every year and for each new phase of project development.

After the PIAs are submitted, every project undergoes a screening by MPO staff. LSMPO has developed a set of criteria to aid in project prioritizations. The following are considered during the screening:

- Completion of the PIA including detailed cost estimates;
- Consistency with the goals and objectives of the MPO's LRTP;
- Inclusion in the MPO's Cost Feasible Plan;
- Consistency with the goals, objectives, and policies of the county's and/or local municipality's comprehensive plan; and
- Support for economic vitality, community development, business functionality, and/or creation or retention of employment opportunities.

After MPO staff complete the initial review of new and existing priority projects, they create the draft LOPP for committee review. The draft LOPP is reviewed by the Technical Advisory Committee (TAC) and the Citizen's Advisory Committee (CAC). Prior to adoption, the Board receives a report from each committee with input and/or recommendations. The Board has final approval of the LOPP and adopts the LOPP before submitting to FDOT. The MPO is required to submit the list to FDOT District 5 by September 1st of each year. The adopted LOPP is used by the MPO to develop its TIP.

LSMPO, in coordination with FDOT, is identifying performance measure targets for safety and travel time reliability. After the targets have been set and adopted by the MPO Board, MPO staff will identify ways to incorporate the performance measures into the prioritization criteria.

PUBLIC INVOLVEMENT

Throughout the process, there are opportunities for public comment. Prior to Board adoption, the public is provided with the opportunity to review and comment on the draft LOPP during a 21-day public review period. The public can also provide feedback during the public comment periods of each advisory committee meeting. During this review process and following Board adoption, the LOPP is electronically published on www.LakeSumterMPO.com and is available in print, by request.

Citizens unable to attend the committee or Governing Board meetings may submit written public comments to LSMPO during the official public comment period: 1) via postal service, 2) via the Voice your Ideas form on the website www.lakesumtermpo.com/voice.aspx or, 3) by emailing mwoods@LakeSumterMPO.com.

This process is outlined in Exhibit 1. Additional information on public outreach strategies and response policies can we found in the **2018 Public Involvement Plan**.

LOPP AMENDMENTS

Amendments to the plan are reviewed by LSMPO’s advisory committees for input. The public is given the opportunity to comment on LOPP amendments through the public comment periods provided during each committee meeting and Board meeting, prior to Board action. During the review process and following Board adoption, the proposed amendment is electronically published.

TITLE VI POLICY STATEMENT & RESPONSIBILITIES

The Lake~Sumter MPO assures that no person shall based on race, color, national origin, sex, age, disability, family or religious status, as provided by Title VI of the Civil Rights Act of 1964, the Civil Rights Restoration Act of 1987 and the Florida Civil Rights Act of 1992 be excluded from participation

in, be denied the benefits of, or be otherwise subjected to discrimination or retaliation under any program or activity. The Lake~Sumter MPO further assures that every effort will be made to ensure nondiscrimination in all its programs and activities, whether those programs and activities are federally funded or not. In the event the LSMPO distributes federal aid funds to another governmental entity, the MPO will include Title VI language in all written agreements and will monitor for compliance.

The Executive Director is responsible for ensuring implementation of the organization's **2018 Title VI Nondiscrimination Plan** and provides direction to the **Title VI Specialist**. The Title VI Specialist, on behalf of the Executive Director, is responsible for the overall management and day to day administration of the Title VI program.

Lake~Sumter Metropolitan Planning Organization

Michael Woods

Interim Executive Director & Title VI Specialist
(352) 315-0170

Additional information on Title VI objectives and strategies for engaging Title VI Protected Groups and Individuals can be found in the **2018 Title VI Nondiscrimination Plan**.

LIMITED ENGLISH PROFICIENCY POLICY

It is the policy of Lake~Sumter MPO to ensure that persons with limited English proficiency are neither discriminated against nor denied meaningful access to and participation in the organization's programs and services. It is the intent of the organization that in providing language services to persons with limited English proficiency, the process achieves a balance that ensures meaningful access to programs and services while not incurring undue burdens on resources of the organization.

The Lake~Sumter MPO will respond to requests for language assistance in the manner described in this plan, which includes:

- A mechanism to provide ongoing assessment of needs, programs, and activities of target audiences, along with the organization's capacity to meet these needs using the Limited English Proficiency Plan;
- Translation of vital written materials in languages other than English where there is a significant number or percentage of persons with limited English proficiency;
- Oral language assistance to Limited English Proficiency (LEP) persons for programs, where such assistance is requested and/or anticipated;
- Identified procedures and a designated representative from Lake~Sumter MPO responsible for implementing activities related to the Limited English Proficiency Plan;
- Notification of the availability of free language services to those persons in the target audience, through oral and written notice in the relevant primary language assistance activities; and
- Staff training on policies and procedures of the organization's language assistance activities.

All advertisements for public meetings sponsored by the Lake~Sumter MPO will contain the following language: “Persons who require special accommodations under the Americans with disabilities Act or persons who require translation services, which are provided at no cost, should contact the Lake~Sumter MPO at (352)315-0170 or by email mwoods@lakesumtermpo.com, at least three (3) business days prior to the event.” Additional information on engaging individuals with Limited English Proficiency can be found in **2018 Limited English Proficiency Plan**.

2018 PRIORITY PROJECTS

The 2018 priority projects are summarized in Table 1 through Table 7. An interactive map showing the limits of each project is available on the LSMPO website:
